Boquete, October 27th, 2022

I am Giovy Rojas, Gastronomic Promoter since September 2021, I create and host events and gastronomic activities to promote services and products related to the primary industry in Boquete.

At the present I am organizing a large-scale event with the UNACHI Symphony Orchestra, directed by Prof. Ovidio Castillo. "***Christmas Concert by the UNACHI Symphony Orchestra***" to BENEFIT the Dejando Huellas Boquete non-profit Foundation (they rescue animals at risk), this event will be at the Los Naranjos Gymnasium in Boquete on *Thursday, December 15, 2022*, to which everyone can attend with pets (Pet Friendly). The scheduled time for the concert is at 7pm, the doors will open from 4pm.

Our organization will be giving away tickets to underprivileged children and their parents, but we need to cover round trip transportation to and from their homes, so we encourage you to be a sponsor of this transportation so that the entire community can attend this family event.

Contributions from $100 or more are welcome for the transportation of children and their parents to the following bank account or cash:
