

## **The Sunny 16 Rule**

***Thursday, April 11th Boquete Library 3:30-5:30 pm***

**Cynthia Slade** will provide a talk on "The Sunny 16 Rule" in photography: a method of estimating correct daylight exposures without a light meter. ***Social after TBA at a local bar.***

## **About Boquete PhotoGrafia**

**Boquete PhotoGrafia** meets the first and third Thursday of every month. The club was organized by a local group of enthusiastic photographers and offers a forum for sharing and enhancing knowledge and skills through meetings, lectures, critiquing, organized photoshoots and field trips. We also provide opportunities to exhibit work at public events .

**Whether beginner, intermediate or professional,** we welcome and encourage interested photographers to join us a guest (a \$3 suggested donation supports the Library). Annual membership \$35 (prorated monthly).
